

Student wellness notifications

Student Name: _____

Parent's Email: _____

Dear Parent,

Your child's safety and wellness is very important to us and that is why we use NursePass to connect our teachers with our school nurse, but also to keep parents and guardians well-informed. With NursePass, communication just got better!

You, as parent or guardian, will use the companion service - NursePort - to subscribe to your child's health referrals processed by our nurse.

- ✓ On NursePort, you receive mobile or email notifications for child's health referrals.
- ✓ On NursePort, you access school nurse's reports about your child's symptoms, treatments, and dispositions.
- ✓ On NursePort, you access the entire archive of your child's school nurse visits.
- ✓ NursePort is FERPA-compliant and we protect your child's private data.
- ✓ Learn more about NursePass and NursePort services at www.HelpTheNurse.com.

To subscribe to your child's health referrals and nurse visits, sign up or log in to your NursePort service of your choice, with your email address you provided above.

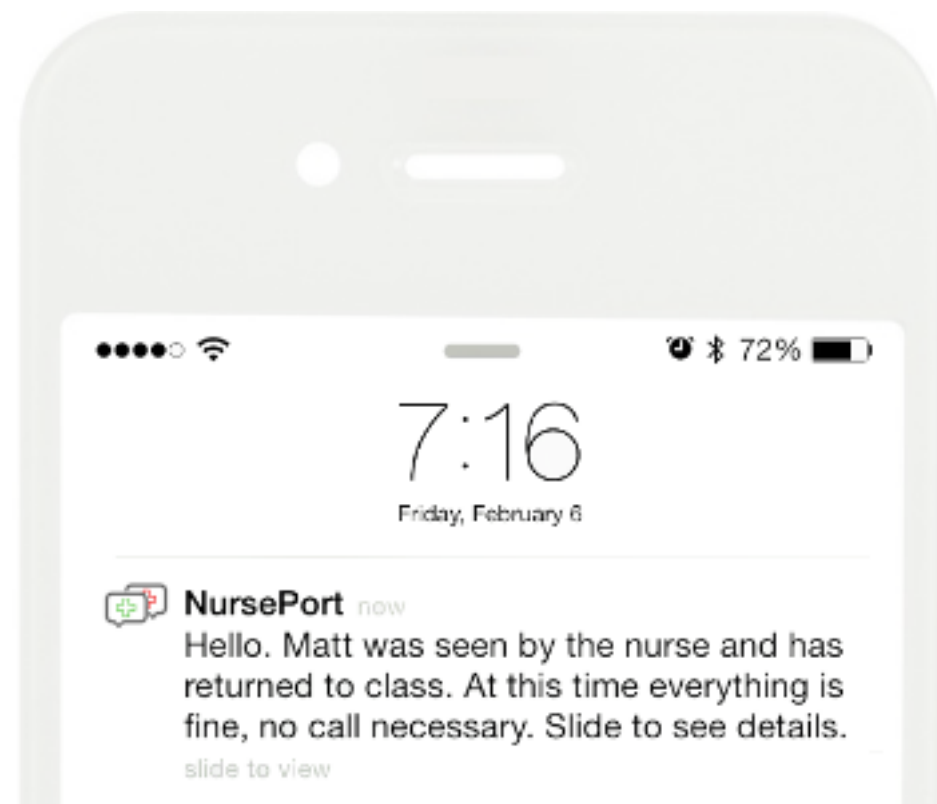

How to access NursePort:

 www.helpthenurse.com/nurseport
(on your computer)

 Or download the "NursePort" app for iOS
(soon on Android)

*** 5% off your NursePort annual fee for this school year go back to school's funds! ***
